LAS BUENAS NOTICIAS

Las lecturas de hoy comienzan con unos versos del libro de Job. En primer lugar, Job se queja de que sus noches se alargan indefinidamente. Y luego, aún peor, “Mis días corren más aprisa que una lanzadera y se consumen sin esperanza” (Job 7:6). No son precisamente alentadoras estas lamentaciones, no cuando se examinan por separado.

Ay de mi si no anuncio el Evangelio

La mayoría de nosotros ha estado allí, sin embargo, y el antídoto es la “buena noticia” que **Pablo** encontró tan convincente que sentía que predicarla “era su obligación.

¡Ay de mí, si no anuncio el Evangelio!” (1 Corintios

9:16). Pablo se sentía impulsado a anunciar el Evangelio a tantos como fuera posible, “para ganarlos a todos” (9:22).

Esta buena noticia era que el misterio de la vida, muerte y Resurrección de Jesucristo, que levantó a la suegra de Simón Pedro de su lecho de enferma con un simple toque de su mano. “Todo el pueblo se apiñó junto a la puerta. Curó a muchos enfermos de diversos males y expulsó a muchos demonios” (Marcos 1:33-34). Nuestros males y demonios son tan reales como los de Job, y Jesús es nuestro salvador.

NUESTRA SEÑORA DE LOURDES

El 11 de febrero, 1858 la Virgen María se apareció a tres niños franceses del pueblito de Lourdes. Allí brotaron aguas milagrosas con el poder de sanar enfermos. Eventualmente se construyó en Lourdes un santuario en honor de Nuestra Señora de Lourdes y millones de enfermos han recurrido a las aguas curativas. Muchos de los que visitan el santuario son latinos, porque a los latinos nos encantan los milagros y lo milagroso.

Pero ¿cuál es el afán de ver milagros? ¿Es que no podemos creer sin ellos? ¿Es que necesitamos demostraciones del poder divino antes de entregarnos a Dios? La Iglesia siempre ha canonizado santos y santas por cuya intercesión se han manifestado milagros, y ha buscado su poder de intercesión. Sin embargo, también ha insistido que es más importante una vida ejemplar, una vida dedicada al bien del prójimo que una vida prodigiosa. Hay que tener mucho cuidado, porque frecuentemente en nuestro afán por ver milagros estrepitosos en lugares lejanos, cerramos los ojos a ver los milagros de las personas que nos rodean, y que silenciosamente ayudan al necesitado.
